3. Cases

Case #25-05/ Changes to Title 23 to allow Temporary Housing Shelters in R-3 and B-3 Zones as a permitted accessory use.

Overview

Ms. Jennings reviewed the May 21 discussion on zoning for temporary housing shelters in R3 and B3 districts, noting the Commission's consensus to classify them as conditional uses requiring BZA oversight. She stated the updated code reflects this change and adds a requirement for annual approval by the Service Safety Director for continued oversight.

Commission Discussion

- Shelters can be approved as principal or accessory uses, if zoning conditions are met, including proximity to sanitation facilities within 200 feet.
- Use of adjacent parcels (vacant or improved) for meeting sanitation requirements is acceptable and will be reviewed by BZA and annually by the Service Safety Director.
- A redundant sentence "*Temporary housing shelter accessory use shall only be allowed in R3 residential and B3.*" was identified and agreed to be removed from both R3 and B3 code sections.
- Ms. Jennings will consult the City Law Director for clarification regarding the need for a principal use providing sanitary facilities.
- Concern was raised over the lack of formal evaluation criteria for conditional uses; Ms. Jennings advised against overly prescriptive language to preserve the flexibility of BZA review.
- Legal counsel may make minor language refinements for clarity without requiring the amendments to return to the Planning Commission.

Motion: Ms. Knisely moved to approve case 25-05 with an amendment:

- The final sentence in both sections, beginning with "Temporary housing shelter accessory use..." shall be struck.

Second: Mr. Kotowski seconded

Vote: Motion passed unanimously

4. Communications

Ms. Jennings has coordinated with Michelle Pappai, a resident of the north side, to organize a public input meeting to gather feedback from community members.

- The meeting is scheduled for Wednesday, June 11, from 6:00 to 8:00 PM at the Ohio Valley Museum of Discovery.
 - Materials including printed boards will be used to support discussions on:
 - Existing land use

 - Vision planning for the area as a connector between the west side and north side neighborhoods.
 - Ms. Jennings has received emails from several residents expressing concerns, primarily focused on the expansion of B3 zoning and existing infrastructure limitations.
